

Body Paragraphs

Brainstorm and jot down all of your thoughts about the prompt. This will help you organize your paragraphs for the essay.

PUT YOUR TOPIC HERE

Using the brainstorm you created to the left, choose 3 of the most important topics. These must be big, overarching ideas. They will become the three main paragraph topics and titles of the headings if you wish to add them. Then list all the specific details about those events in the space provided.

Topic #1

Topic #2

Topic #3
